Archives Sued

CHICAGO — A suit filed in U.S. District Court here charges the National Archives with suppressing documents concerning an alleged plot to assassinate the late President John F. Kennedy in Chicago.

The suit, filed by legal researcher Sherman Skolnick, contends the archives are withholding information that shows Kennedy died not at the hands of a lone assassin but as the result of a conspiracy.

The suit asserts that five conspirators planned to kill Kennedy at the Army-Air Force football game in Chicago Nov. 2, 1963. But when the President canceled his appearance because of a cold at the last minute, the suit continued, the assassination attempt was rescheduled for Dallas three weeks later.
